I want to thank everyone who auditioned for ***Drac's Back*** this past weekend. Your talent, courage, and enthusiasm were nothing short of incredible! With such a large number of children auditioning, the casting process was very difficult, as you can imagine.

Unfortunately, even though every performance was awesome, there were simply not enough roles available in ***Drac's Back*** to cast everyone. Nevertheless, **I want to encourage you to continue auditioning for other Encore Youth Theater Productions!**
